Team Placement

Your child will be placed on their team based upon age, previous year's team or through the draft. The only exception to this system will be in a case where health is a consideration. **The transportation of your child to practice and games is your responsibility. There will be no special requests for players.**

****Policy Change****

Coach Exclusion Form (yellow sheets) will not be allowed the day of the draft. The form must be completed and returned to the Parks & Recreation main office by close of business the day prior to the draft.

You **may not** re-enter the draft **and** file an exclusion form, if your child is returning to the previous year division.

Uniform Policy

Uniforms **shall be worn as issued.** The only exceptions to this policy will be in the case of a sizing issue, loss or damage. The replacement shirt/jersey or shorts shall be comparable in style and color to the originally issued uniform item. For example: Shirts/jerseys shall be of like style and color. Solid black shorts (**NO** pockets, belt loops, stripes or large logos). If the replacement item is questionable, please contact the Recreation office for approval.

League and team sizes subject to Registration.

Player Participation

Each player is guaranteed playing time in each game. As a normal rule an eligible player is to play **one uninterrupted quarter in each game.** However, players must attend practice to remain eligible for play. If two practices in a row are missed without explanation a player may be benched for one game. Please keep the coach informed of problems which might keep a player from regularly attending practices and games.

Coaches

The selection of coaches for teams is one of the most important duties of the league. Our coaches work on a volunteer basis and receive no payment for their efforts. Your support will be welcomed and appreciated during the season. Keep in mind the only difference between you and your child's coach is that they are able to make the time available to conduct practices and coach during the games.

Pre-season Coach's Meeting

A meeting will be held on **Wednesday October 30, 2019, 5:30 pm** at **Warriors Hall** (inside the Crestview police department). All information needed for the draft will be available as well as discussion regarding rules and league policies.

CONDUCT POLICY

I understand that in extreme cases of rowdy or disruptive behavior on the part of my child, myself, family, group or team we may be subject to being barred from further participation in the organized recreation program and Recreation Department property. Rules governing organized recreation activities will be made available upon request.
